Sold a Single Family home in 2018 in Berkeley Heights, NJ

Barbara helped us during an extremely stressful time and made the process easy and smooth. She is very knowledgeable about the market and the area. She never minded us calling even late at night and went above and beyond what I expected a realtor to do. Even once the house was sold she was still helping us. She collected our mail and an object we forgot and mailed it to us. I would highly recommend her for selling a home.

Barbara helped us sell our house in Cinnamon Ridge area - 120 Overhill Way. She is very knowledgeable about the local market. The best thing about Barbara is there is no "blackout" period with her. She is available almost 18 hrs a day and ready to answer any question. We moved to California and we needed an agent who is trustworthy, honest, professional and hardworking. I can guarantee she has all the qualities. She took best care of our property right from landscaping to internal maintenance. I have a only one word for Barbara - AWESOME!!!

Bought a Single Family home in 2017 in Roselle, NJ

Barbara was a real pleasure to work with in finding my first home. Being a 1st time home buyer, I was obviously lacking some knowledge of the process and where to go next at points of the process. Barbara really made a difference in this respect, with her help, she was able to guide me in the correct direction in all points of the process. Barbara was truly more than someone to just show you the nice houses, but also had the knowledge and the resources to help close it all out once the perfect house was found!

Barbara seemed to have a very good idea of the local markets, as well as being knowledgeable in items to pay more attention to when looking at a perspective home.

After having an accepted offer, is where Barbara really seemed to shine, where she was able to help guide me in the correct direction with the whirlwind of information, inspections, paperwork, etc. that needs to be completed in a short period of time.

I would truly recommend Barbara to anyone looking for a Realtor.

Bought and sold a Townhouse home in 2016 in Summit, NJ

Barbara is very knowledgeable about the area and all of the surrounding cities if your interested in moving to or near union county. She also will try to get as much credits or deals during closing. We were not sure of a couple of items and she followed up with vendors to get costs down for us.

Bought and sold a home in 2016 in Chimney Rock, Bridgewater, NJ

We used Barbara as our listing and buying agent, and she did a great job in both transactions. She helped us find a buyer for our home in less than a week, and then helped us find our dream home a short time later. This is the second time we've worked with Barbara and definitely recommend her to any prospective buyers/sellers.

We are so grateful we had Barbara to help us find our first house! She was so patient and showed us so many houses before we finally made a decision. Once we had our offer accepted Barbara was great, taking care of so many of the small details and reminding us things we needed to stay on top of. We love the house she found us and we hope we get to work with her in the future!

Bought and sold a Single Family home in 2015 in Putnam Manor, Union, NJ

Barbara was great from the beginning. She was with us to sell our past home and find our current one. She was helpful and informative, which was great for us selling and buying a home for the first time. She was never pushy and kept things on track. She listened to what we wanted and did everything she could to find us what we needed. In the end we found everything we hoped for and couldn't be happier. I wish we could use Barbara next time, but we believe we have found our forever home with her help. I will most definitely recommend Barbara to anyone I know who is ready to sell or buy.

I would say if without Barb's help, my experience of international relocation will be awful. She knows the market very well and quickly understand my needs. She is always available through the whole process and willing to help all the time.

Barbara was a fantastic agent in helping us purchase our new home. She was patient with us as we relocated from urban life to the burbs, and helped us find the perfect house based on our wish list and her expert local knowledge. She went above and beyond in dealing with our sellers and attorneys, and even set us up with a team of contractors/handyman after we closed to help us make some day 1 changes and upgrades that made our new house our new home. We recommend Barbara Lewis to any prospective homebuyers in the area!

My husband and I have worked with several realtors over the years, and Barbara has outshined them all. She is extremely professional and thorough. Barbara is also an excellent negotiator who represents her client's interests based on extensive communications regarding their real estate wants and needs. I have recommended Barbara to friends and family and sincerely hope to continue working with her in the future.

Sold a Single Family home in 2006 in Berkeley Heights, NJ

We were pleased with the professional way that Barbara worked with us in preparing our home for sale. The house was previously listed in 2005, and did not sell then because it was overpriced by another agent, who did not advise us well on staging it.

Barbara suggested ways to increase salability and worked with us arranging for some necessary repairs to be done. She oversaw some minor repairs. Barbara helped us decide on a realistic price. She prepared an extensive brochure describing our home and the surrounding area, with excellent photographs and descriptive material.

Despite an initial offer being withdrawn by a prospective buyer, Barbara held firm to our asking price. She negotiated a second initially low offer up to full price. the home was in attorney review within a week of offering and closed at the listing price, confirming her assessment of the market. Her financial background was helpful in working out the details of financing and settlement. We found her competent and dedicated to the job and client.

I can't say enough good things about working with Barb Lewis on the sale of our condo and on our home search. Her responsiveness and attention to us was exceptional. She went above and beyond to ensure we could see houses of interest the day they came on the market during off hours to accommodate our work schedules. She helped us deal with the twists and turns of selling our condo with ease. No matter what came our way, Barb kept things completely professional and was always a pleasure to work with. I recommend Barb to anyone who asks me for a great realtor!

Dear Barbara,

We wanted to write to again thank you for all your help. Throughout our entire process of trying to purchase a new home, your service and commitment have remained excellent. You have been the only person throughout this process that has consistently been what

used to be referred to as "professional." We will certainly recommend you to anybody that is contemplating either buying or selling a property.
